ID Prefix Tag (X4)	Provider's Plan of Correction (Each corrective action must be cross-referenced to the appropriate deficiency.)	Completion Date (X5)
	This plan of Correction constitutes our written allegation of compliance of the deficiencies cited. However, submission of this Plan of Correction is not an admission that the deficiency exists or that one was cited correctly. This Plan of Correction is submitted to meet requirements established by state and federal law.	
U 118	A residential care apartment complex shall have the capacity to provide all of the following services to all tenants, either directly or under contract: c. Nursing services: health monitoring, medication administration and medication management.	9/6/26
	All staff will be educated on parameter reporting. Oxygen training will also be provided to call care staff. Audits will be done on all residents with parameters to ensure providers have been updated appropriately. Audits will be done 5 days a week on all parameters in building until compliance is met and sustained for 30 consecutive days. Audits will be done 3x a week on all parameters in building for 1 additional month. Then weekly audits on all parameters in the building and providers will be updated appropriately.	
U 211	The risk agreement shall be updated when the tenant's condition or service needs change in a way that may affect risk, as indicated by a review and update of the comprehensive assessment, by a change in the service agreement or at the request of the tenant or facility.	9/6/26
	All staff will be educated on change of condition, stop/watch tool, risk agreements and when to update appropriately. An audit will be done on all current risk agreements to ensure they are accurate. Change of condition binder implemented and trained on for all care staff to document any changes in resident's baseline for leadership to monitor for change condition need and risk agreement update. 24 hour report from PCC will be ran daily Monday-Friday and pulled the following Monday for any changes that may have not been reported. Change of conditions and associated risk agreements will be audited once weekly to ensure they are updated appropriately x 4 weeks. Change of conditions and associated risk agreements will be audited once every other week x 1 month.
