{N 000}	Initial Comments On 08/18/2026, Surveyor conducted a verification visit and complaint investigation. Data was collected through 08/20/2026. The complaint substantiated. Two deficiencies were identified. One of the 2 deficiencies were repeat deficiencies. See Statements of Deficiency (SOD) SOD 4TLG11, dated 12/10/2024 and SOD 4TLG12, dated 11/18/2025. Under statutory provisions of Wis. Stat. ch. 50, a \$200 revisit fee is being assessed. Census: 17	{N 000}		
N 358	83.32(3)(n) Rights of Residents: Safe environment In addition to the rights under s. 50.09, Stats., each resident shall have all of the following rights: Safe environment. Live in a safe environment. The CBRF shall safeguard residents from environmental hazards to which it is likely the residents will be exposed, including both conditions that are hazardous to anyone and conditions that are hazardous to the resident because of the residents ' conditions or disabilities. This Rule is not met as evidenced by: Based on interview and record review, the provider did not ensure Resident 5 had the right to a safe environment when s/he sustained 2nd degree burns from spilled coffee. Findings include:	N 358

N 358	Continued From page 1 On 06/19/2026, the Department received a complaint related to concerns with hot coffee be administered to residents. On 08/18/2026 at approximately 9:45 AM, Surveyor requested Resident 5's record. Resident 5's ISP dated 05/28/2026, under Eating Needs- Feeding, read in part, "Needs full assistance with eating and/or drinking, specify: - Note: purred diet, mild thicken [sic] liquids, is a feeder [sic]". Resident 5's record contained an incident report dated 05/30/2026. The incident report read in part, "On 5/30 resident was given coffee with supper. When I went in to get resident ready for bed an hour later [sic] resident had [his/her] coffee spilt [sic] on [him/her] ... At that time the spot was just red [sic] there was no blister. The next day when second shift came in staff got resident up to toilet [him/her] and noticed blistering from the inside of [his/her] thigh to across [sic] the top". At 10:45 AM, Surveyor interviewed Team Lead (TL) B. TL B stated that s/he was notified the day after the incident. S/he then let the nurse know who assessed and sent the resident out to be seen in the emergency room (ER). At 11:05 AM, TL B stated that Resident 5 drank his/her coffee out of a large blue mug, with a lid, and a straw. S/he stated that Resident 5 did not start spilling his/her coffee until about a week prior to the incident when Resident 5 returned weaker than baseline from a hospitalization. TL B stated they were not cooling Resident 5's coffee prior to giving it to her. TL B stated that Resident	N 358

N 358	Continued From page 2 5 was on thickened liquids. TL B noted that Resident 5 was assessed as needing full assistance for meals, but that s/he had his/her own drinks. At 11:30 AM, Surveyor reviewed Resident 5's ISP dated 08/14/2026. Under the Eating Needs-Feeding section, it read in part, "Needs full assistance with eating and/or drinking, specify: - Note: purred diet, mild thicken [sic] liquids, one person assist with eating. Do not give HOT coffee (Let cool FIRST for minimum of 15 min [sic] and temperature of coffee should NOT exceed 100 degrees F). Always use cup [sic] with lid and straw for liquids". At 12:45 PM, Surveyor reviewed ER discharge notes dated 05/31/2026, that read in part, "Triage concern of burn to left thigh was confirmed on exam, with two intact blisters noted ... patient reports that yesterday [s/he] sat [his/her] coffee on [his/her] leg and it tip [sic] and some coffee spilled." On 08/20/2026 at approximately 12:55 PM, Surveyor interviewed Director A. Director A stated that s/he was notified the night of the incident but had told staff to continue to monitor because at that time there was only a slight redness noted. Director A stated that since the incident they implemented changes so that it would not happen again. S/he stated they completed an all-staff training related to burns, how to prevent them, and what to do if they happen again. Director A stated the incident was unfortunate, and s/he hoped moving forward, it won't happen again with the new measures in place. The provider did not ensure Resident 5 was provided with a safe environment when s/he was	N 358

{N 427}	83.38(1)(c) Leisure time activities. As appropriate, the CBRF shall teach residents the necessary skills to achieve and maintain the resident ' s highest level of functioning. In addition to the assessed needs as determined under s. DHS 83.35(1), the CBRF shall provide or arrange services adequate to meet the needs of the residents in all of the following areas: Leisure time activities. The CBRF shall provide a daily activity program to meet the interests and capabilities of the residents. Employees shall encourage and promote resident participation in the activity program. The CBRF shall develop and post the activity schedule in an area available to residents. This Rule is not met as evidenced by: Based on observation and interview, the provider did not provide a daily activity program to meet the interests and capabilities of the residents. This is a repeat deficiency. See Statement of Deficiency (SOD) 4TLG11, dated 12/10/2024 and SOD 4TLG12, dated 11/18/2025. Findings include: On 08/18/2026 at approximately 9:45 AM, Surveyor toured the facility. Surveyor noticed an activity calendar posted in the dining room on a white board. It listed that the activities for that day were: 11:00 AM daily chronicles, 2:00 PM crafts, and 3:00 PM walking group. It was also noted in	{N 427}

{N 427}	Continued From page 4 the bottom corner of the whiteboard that there was 10:00 AM snack every day. While Surveyor was on site from 9:20 AM until 1:45 PM, s/he did not observe any of those activities take place. At 10:15 AM, Surveyor interviewed Caregiver C about activities. Caregiver C stated activities were not being completed. S/he stated dayshift was busy and it was not possible to complete activities. At 9:15 AM, Surveyor interviewed Resident 6 about activities. Resident 6 stated s/he did not get involved in activities, but s/he did not see them take place. At 11:35 AM, Surveyor interviewed Resident 1 about activities. Resident 1 stated a lady comes in to do bingo once a week and that sometimes a wo/man from church came to sing on Tuesdays. Surveyor asked if there were any other daily activities that took place. Resident 1 stated not that s/he knew of. At 12:05 PM, Surveyor interviewed Resident 2 and Resident 3. Resident 2 and Resident 3 stated on Tuesday's they would sing and Wednesday's there was bingo. Both residents stated that they were not aware of any other activities. At 12:10 PM, Surveyor interviewed Resident 4. Resident 4 stated activities did not take place on a daily basis. S/he stated it would be nice if they did things like painting or put on a movie. Resident 4 stated s/he loved to craft. At approximately 12:50 PM, Surveyor interviewed Team Lead (TL) B. TL B stated they had been trying to get hospice to come in and provide additional activities for the residents. S/he stated	{N 427}
