{N 000}	Initial Comments On 08/18/2026, Surveyor conducted a verification visit and complaint (x2) investigation at Primrose Memory Care Of Wausau. Data was collected through 08/19/2026. Seven of 8 deficiencies identified in Statement of Deficiency (SOD) 3LD711, dated 04/27/2026, were corrected. The complaints (x2) were unsubstantiated. One deficiency was identified. The deficiency was a repeat deficiency. See SOD 3LD711, dated 04/27/2026. Under statutory provisions of Wis. Stat. Ch. 50, a \$200 revisit fee is being assessed. Census: 25	{N 000}		
{N 408}	83.37(1)(i) PRN psychotropic medication. As needed (PRN) psychotropic medication. When a psychotropic medication is prescribed on an as needed basis for a resident, the CBRF shall do all of the following: 1. The resident ' s individual service plan shall include the rationale for use and a detailed description of the behaviors which indicate the need for administration of PRN psychotropic medication. 2. The administrator or qualified designee shall monitor at least monthly for the inappropriate use of PRN psychotropic medication, including but not limited to, use contrary to the individual service plan, presence of significant adverse side effects, use for discipline or staff convenience, or contrary to the intended use. 3. Documentation in the resident ' s record shall include the rationale for	{N 408}

{N 408}	Continued From page 1 use, description of behaviors requiring the PRN psychotropic medication, the effectiveness of the medication, the presence of any side effects, and monitoring for inappropriate use for each PRN psychotropic medication given. This Rule is not met as evidenced by: Based on record review and interview, the provider did not ensure the individual service plan (ISP) for each resident that was prescribed a PRN (as needed) psychotropic medication included the rationale for use and a detailed description of the behaviors which indicate the need for administration of PRN psychotropic medication for 1 of 2 (Resident 1) residents reviewed. The provider did not ensure the administrator, or designee, monitored at least monthly for the inappropriate use of the PRN (as needed) medications and for presence of any adverse effects from the medications, for 1 of 2 residents reviewed (Resident 1) with orders for PRN psychotropic medications that resided at the facility for longer than a month. The deficiency was a repeat deficiency, cited for the 2nd time. See Statement of Deficiency (SOD) 3LD711, dated 04/27/2026. Findings include: On 08/18/2026, Surveyor reviewed Resident 1's record. Resident 1 was admitted on 11/27/2024. S/he had the following diagnoses: hypertension, osteopenia, and carotid stenosis.	{N 408}

{N 408}	Continued From page 2 His/her physician's order and medication administration record (MAR) indicated s/he had the following PRN psychotropic medication ordered: Lorazepam 0.5 milligrams (mg) - Take 1 tablet, by mouth, every 4 hours as needed, for terminal restlessness. Start date: 01/29/2026. Resident 1's ISP, dated 02/19/2026, read, in part: Need - "Controlled substances and/or PRN medications" Goal - "My medications will be administered in accordance with physician's orders by staff." Intervention - "Staff will administer all medications in accordance with physician's orders for controlled substances and/or PRN medications ... Nurse to notify PCP (primary care provider) of any changes." Need - "Anti-Psychotic Medications" Goal - "My anti-psychotic medication regimen will be administered safely and per physician's orders." Intervention - "Staff to be aware of resident's anti-psychotic medications ... Nurse to notify PCP of any changes." Resident 1's ISP did not include a rationale for use and a detailed description of the behaviors which indicate the need for administration of lorazepam. Surveyor did not locate documentation of monthly reviews for Resident 1's PRN psychotropic medication. On 08/18/2026 at approximately 2:45 PM, Surveyor interviewed Assistant Director of Nursing (ADON) A. Surveyor asked about Resident 1's PRN psychotropic medication. ADON A indicated that Resident 1 did not have monthly PRN psychotropic medication reviews.	{N 408}

{N 408}	Continued From page 3 On 08/19/2026 at approximately 9:42 AM., Surveyor interviewed ADON A via telephone. Surveyor reviewed requirements for residents on PRN psychotropic medications. Surveyor asked about Resident 1's PRN psychotropic medication and addressing the rationale and detailed description of the behaviors which indicate the need for a PRN psychotropic medication on the ISP. ADON A confirmed s/he did not have the monthly reviews for PRN medications. ADON A confirmed that Resident 1's ISP did not reflect the rationale and detailed description of the behaviors which indicate the need for a PRN psychotropic medication. ADON A indicated that s/he would update Resident 1's ISP and would ensure PRN psychotropic medications would be reviewed monthly moving forward.	{N 408}
